

TENPOINT CORE FEATURES

TenPoint Series Core Performance Features

All TenPoint Series crossbows are made with a group of Core Performance Features (noted by black dot on callouts) that ensure accuracy, dependability and durability regardless of the model you purchase. While our top-of-the-line models include additional premium features and benefits that make them undeniably the best in the industry, our Core Performance Features are the foundation upon which the entire series is built.

● Red dot indicates items that are exclusive to or were first introduced by TenPoint Crossbow Technologies.

● Black dot indicates a core performance feature.
