DEDD SLED 50™

The new, lightweight Dedd Sled 50 Rope-Cocker reduces the draw weight by 50%. Compatible with all TenPoint, Horton and Wicked Ridge crossbows.

TO OUR CUSTOMERS

The inaugural year of Horton Crossbow Innovations exceeded our expectations. The Storm RDX won both the 2015 Outdoor Life and the Petersen's Hunting Editors' Choice Awards. The Outdoor Life editors described the Storm as the most ergonomically comfortable crossbow they had ever tested.

From my perspective, the launch of Horton Crossbow Innovations was a clear success. Both models met my goal of producing a new line of affordable crossbows that will perform reliably and with precision for many years to come.

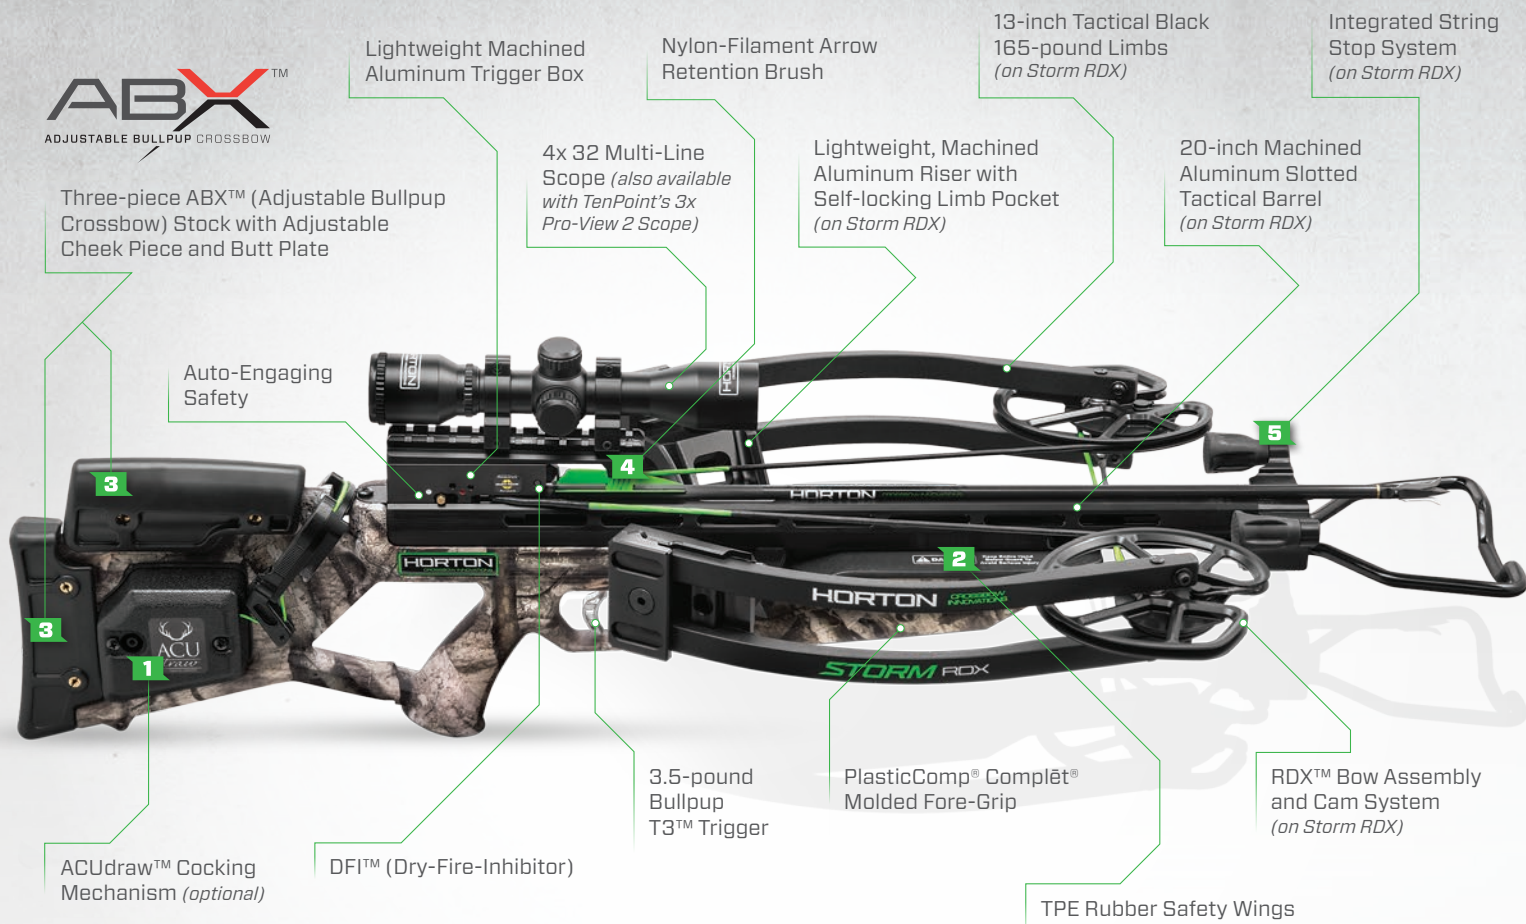

Customers' suggestions always play a key role in our product development. This year is no exception. You asked for and we are offering a package upgrade including a 3x Pro-View 2™

lighted scope option for both the Storm RDX and the Legend Ultra Lite. In addition, we're introducing the Dedd Sled 50, a leveraged system that reduces the amount of energy required to cock these bows by 50%.

Finally, the Omni-Brite 2.0™ Lighted Nock System features a new snap-on, locking feature which prevents the Omni-Brite Nock from jarring loose on impact. Enjoy paging through the 2016 catalog. I hope you visit your local dealer soon to try out both models. Happy Hunting.

DFI™ (Dry-Fire-Inhibitor)

3.5-pound Bullpup T3™ Trigger

PlasticComp® Complét® Molded Fore-Grip

RDX™ Bow Assembly and Cam System (on Storm RDX)

TPE Rubber Safety Wings

1 INNOVATIVE COCKING DEVICES

ACUdraw™

The ACUdraw converts even the heaviest draw weight to about five pounds of effort and is the most user-friendly and practical solution available on the market today for cocking a crossbow effortlessly and accurately.

ACUdraw 50™

The ACUdraw 50 takes the traditional rope-cocker to an easy-to-use level, as it reduces a crossbow's draw weight by 50% (ACUdraw 50 not available on the Storm RDX).

NEW Dedd Sled 50™ (see page 8)

Our newest rope-cocking device reduces the draw weight by 50%. Compatible with all TenPoint, Horton and Wicked Ridge crossbows.

2 TPE RUBBER SAFETY WINGS

The ABX stock is equipped with Thermoplastic Elastomer (TPE) rubber safety wings that help prevent a shooter's fingers and thumb from moving above the flight deck.

3 ADJUSTABLE CHEEK PIECE AND BUTT PLATE

Adjust the TPE rubber cheek piece and butt plate for perfect eye-level alignment and length-of-pull. Just remove the screws and slide into any of the 7 cheek piece or 3 butt plate positions.

4 ARROW RETENTION BRUSH

The innovative, high quality nylon-filament Arrow Retention Brush improves arrow grip and alignment and reduces noise and vibration.

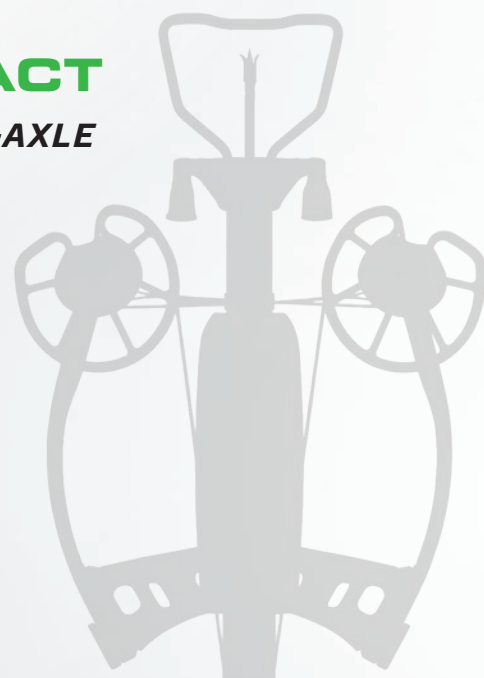

5 INTEGRATED STRING STOP SYSTEM

Designed specifically for the Storm RDX, the String Stop System's high impact TPE rubber dampeners reduce noise and vibration without affecting arrow speed or accuracy.

RDX™
REVERSE DRAW TECHNOLOGY

ULTRA COMPACT
ONLY 10-INCHES AXLE-TO-AXLE
WHEN COCKED

Featured on the Storm RDX, our RDX bow assembly sets an unprecedented standard in crossbow maneuverability with its remarkably narrow profile. A machined, lightweight aluminum riser is outfitted with a self-locking limb pocket and cap system that prevents limb twist and provides added cushioning that reduces limb stress. The pockets are then fitted with 13-inch tactical black 165-pound limbs, powered by a custom RDX Cam System and DynaFLIGHT 97 string and cables. The machined aluminum RDX cams feature 440 stainless steel bearings to increase performance and improve stability.

ULTRA LIGHTWEIGHT. ULTRA DEADLY. BORN TO HUNT.

Legendary performance in an ultra-lightweight package born to drop big game in its tracks. The **Legend Ultra Lite** combines a robust 175-pound bow assembly powered by 13-inch HL Limbs with a lightweight carbon-injected polymer barrel, all fitted to Horton's ABX (Adjustable Bullpup Crossbow) Stock for personalized comfort.

ACCESSORIES

DEDD SLED™

Horton's Dedd Sled is a fast, hassle-free accessory that draws reverse draw bows accurately every time. Compatible with all TenPoint, Horton and Wicked Ridge crossbows.

Note: Does not provide a mechanical advantage but still makes cocking the crossbow easier.

HCA-00000-SL

SCOPES

TenPoint® 3x Pro-View 2™ Scope

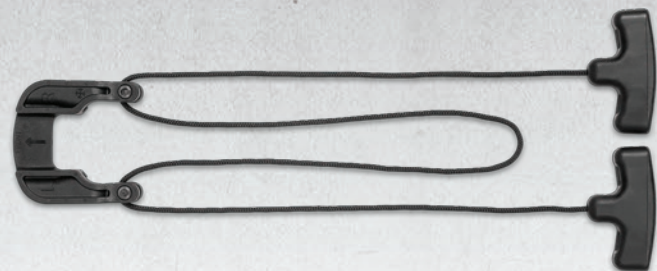

This lightweight 8.5-inch aluminum tube scope features 3 crosshairs and four dots calibrated for 20, 30, 40, and 50-yards (fourth dot is free-standing, just below the 40-yard crosshair) and fully-coated 3x optics. Available with non-illuminated black dots or one of two rheostat controlled illuminated, colored dots (red or green).

4x32 Multi-Line Scope

This light, compact scope features fully coated 4x optics and three duplex crosshairs calibrated for 20, 30, and 40-yards and a fourth partial line for 50-yard shots. 7/8" scope mounting rings included.

HCA-097-II TenPoint 3x Pro-View 2 Scope with 7/8" mounting rings

HCA-085 4x32 Multi-Line Scope with 7/8" mounting rings

NEW DEDD SLED 50™

The new, lightweight Dedd Sled 50 Rope-Cocker reduces the draw weight by 50%. Compatible with all TenPoint, Horton and Wicked Ridge crossbows.

HCA-00050-SL

3-ARROW INSTANT DETACH QUIVER

Weighing only 4.75-ounces, our lightweight, quick-disconnect 3-arrow quiver features an ultra-durable spine. Its cup also features a unique, flexible rubber loop that allows you to silently hang the quiver while in your treestand. Mounting hardware included.

HCA-01915-H

CROSSBOW MAINTENANCE

String Wax and Conditioner

Made from all natural compounds, Horton String Wax and Conditioner comes in a convenient chap stick style tube. This string wax and conditioner lubricates and rejuvenates bow strings and cables.

Flight Rail And Trigger Lube

Horton's Flight Rail and Trigger Lube is not gel based and will not gum-up in cold weather or collect dirt and grit.

HCA-11015-H String Wax and Conditioner

HCA-111-H Flight Rail and Trigger Lube

ROPE-COCKER

This ultra-durable crossbow rope-cocker features an abrasion resistant, high tenacity polyester cord, custom-dyed in neon green. Its plastic handles and hooks are constructed from super-tough ST801 nylon. (Do not use on the Storm RDX.)

HCA-00000-RG

HORTON CROSSBOW CASE

This soft case ensures perfect protection for travel and/or storage of your Horton reverse or forward draw crossbow. The case has sturdy side panels for added depth to accommodate mounted optics and an additional zippered storage compartment for arrows, quiver, and other accessories. A removable shoulder strap is included.

HCA-20015-H

HORTON 20-INCH CARBON ARROWS

The 20-inch, carbon arrow is fletched slightly offset with 3-inch vanes fitted with an aluminum insert and neon Superbrite Omni-Nock. Also available in an Omni-Brite 2.0 lighted arrow version.

HORTON CARBON ARROWS

- HEA-722.3 3-pack
- HEA-722.6 6-pack
- HEA-722.72 72-pack

HORTON OMNI-BRITE 2.0 LIGHTED ARROWS

- HEA-728.3 3-pack
- HEA-728.6 6-pack

HORTON NEOPRENE SLING

Horton's sling features an extra strong 1.25-inch wide shoulder strap with an integrated elastic band for Crossbow Unloading Bolt storage, and a thumb loop for added shoulder security. It is a non-slip design with custom swivels and heavy-duty adjustable strap. Includes one CUB™ (CUB not compatible with Storm RDX).

PROUDLY MADE IN THE U.S.A.

PROUDLY MADE IN THE U.S.A.

Horton crossbows are proudly designed, manufactured and assembled in the U.S.A. using the highest quality components available. Infused with some of the industry's most technologically advanced features, our crossbows are subject to extensive and rigorous testing standards, ensuring that each and every Horton is built to exceed expectations for as long as you own it.

CORPORATE STATEMENT

Horton Crossbow Innovations manufactures quality crossbows and accessories, made in the U.S.A., and designed for optimum fit, form, and function. The corporation's long-term objective is to produce highly effective, reliable, and affordable designs broadly accepted by hunters and recreational shooters of all age groups, physical abilities, and genders.

The company intends to pave the road to success with a focused approach to operational excellence, sound financial performance, and superior customer service. A quality organization requires quality people to navigate and fuel the journey. Horton is committed to employing the best available personnel, compensating them fairly, and maintaining a work environment in which they can thrive.
