

## INSTALLATION OF LEFT-HAND SAFETY KNOB ON ACUSLIDE SERIES CROSSBOWS

Parts required (photo 1):

- A. 1 (ONE) brass safety knob
- B. 1 (ONE) 6-32 x  $\frac{3}{4}$ " socket set screw

Photo 1

1. Use a  $\frac{1}{16}$ " Allen wrench to screw the  $\frac{3}{4}$ " set screw into the threaded hole in the left side of the trigger box (photo 2).

Photo 2

2. Thread the brass safety knob onto the  $\frac{3}{4}$ " set screw (photo 3).
